Week Snapshot

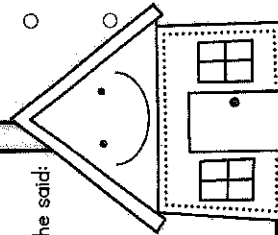

Dear Family,
 Hop! Hop! Hop! What animal hops and is fluffy? Well a rabbit of course! This week we will be hopping right in to the book Rabbits by Anita Ganeri. We will gain a better understanding about how asking questions can help us learn more about a topic. We will describe the characteristics of a rabbit. We will write our own narrative story this week.

Vocabulary

- pellets: A small rounded mass of food
- flop: Hanging in a loose way
- kit: A baby rabbit
- active: Always doing something; full of energy
- burrow: a hole or tunnel dug by certain animals for use as a hiding place or home
- nibble: To eat small bites

Poem of the Week

Little Bunny Foo Foo
 Hoppin' through the forest,
 scoopin' up the field mice
 and boppin' em on the head.
 And down came the Blue Fairy, and she said:
 Little Bunny Foo Foo
 I don't want to see you
 scoopin' up the field mice
 and boppin' em on the head.

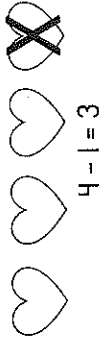

Activities

- Here are just a few activities you can do at home with your child this week!
- Hop like a rabbit and count to 50.
 - Hop and spell your sight words.
 - Eat "rabbit food" for a snack

Unit Overview

Dear Family,
 This unit is all about forming subtraction stories and writing them using symbols. Students will also master subtraction fluency within 5.

Unit Vocabulary

- difference: the result from subtracting one number from another
- subtract: to take one number away from another
- minus: symbol used to take away

Unit Hands-On Fun

- Use objects at home and practice subtracting (taking away). Example: I have 5 pennies. If you take away 2, how many will be left.
- Roll two dice. Take away the smaller number from the higher. What is your difference?
